SOMERSET ACADEMY MIDDLE/HIGH
SATURDAY TUTORING

In an effort to increase student performance on standardized tests, Somerset Academy offers **Saturday Tutoring Sessions** beginning February 2nd (for 8th and 10th graders **only**) and **February 16th for all students**. This is an opportunity for students to utilize proven techniques, computer labs, and to teach the students helpful study tips with our creative academic instruction. As you may know, obtaining *a passing score* **on both the Reading and Mathematics sections of the FCAT, as well as passing scores on the End of Course (EOC) exams in Algebra I**, **Geometry**, and **Biology *are all graduation requirements***.

New this year will be writing workshops and computer based testing preparation. To better prepare our students for each of the required assessments, we will hold FCAT, EOC and SAT/ACT preparatory **courses from 8:00 am – 12:30** pm on the following dates: February 16th, 23rd, March 2nd, 9th, 16th, April 6th and 13th with additional writing workshops for students in grades 8 and 10 on February 2nd and 9th. *This is mandatory for all students who scored level 1's and 2's on the FCAT.*

Considering the dismal state of educational funding, we are kindly asking you to contribute up to $100.00 per child enrolled in order to assist the school fund the supplemental program of Saturday school. Parent hours will be waived as well if your child participates in all their required sessions (7 or 9 depending on the grade level). In order to qualify for the Parent hours being waived you need to be up to date with your volunteer hours. Therefore, half your family volunteer hours need to have been met by January 7th 2013. This parental contribution will help us purchase materials and provide intensive tutoring sessions for our students. As an incentive for students to attend all the sessions, any students completing the program with perfect attendance will be recognized and awarded (to be determined by Administration and eligible students).

If you are interested in registering your child for the Saturday Program, please complete the attached form and submit it with the monetary contribution of $100.00 to Ms. Claudia Arango in the Activities office by **January 25th**. The contribution of $100.00 can be cash, money order or you can make a payment online at http://osp.osmsinc.com/somersetacademy (Please make sure you attach the online payment receipt to this form and turn in to the office)
